Less affordable housing in new plan

REVISED plans for a 20-house development on the outskirts of Seaton, with reduced affordable housing, has been backed by planners.

Outline planning permission for up to 21 houses (with 40 per cent affordable housing) on land west of Barnard's Hill Lane has already been given by East Devon District Council (EDDC).

But a revised application for up to 20 houses (with 25 per cent affordable housing) will be heard by EDDC's Development Management Committee today (Tuesday).

The application has been referred to the committee because Seaton Town Council disagrees with EDDC planning officers.

Seaton Town Council opposes the application for a number of reasons, including highway concerns and the site being outside of the built-up boundary area.

EDDC has also received seven letters of objections from members of the public, expressing concerns about the risk of, for example, flooding, the visual impact of two-storey dwellings, the impact on biodiversity and wildlife.

Many of the concerns were raised during the previ-

ous planning application, and EDDC officers' summary of the new application reflected this by saying:

"In landscape impact, highway safety and other terms the development of the site has previously been found to be acceptable, subject to conditions.

"Whilst it is disappointing that the level of affordable housing provision has dropped, this is in line with a recent appeal decision and reflects the expected pro-

vision for this area in line with the requirements of the New Local Plan.

"Some additional consideration of surface water drainage mechanisms have been submitted in relation to the application but a detailed design for surface water drainage has not been provided.

"Whilst it would be beneficial to have an outline strategy at this stage given the extant permission for development of the site it is not considered that this can be insisted upon and should therefore be secured by condition.

"In consideration of all of the matters raised within the report the proposal, although a departure from the Adopted Local Plan, is considered to represent sustainable development and as such is recommended for approval subject to a legal agreement and conditions to secure the matters set out at the end of the report."

A decision will be made during the Development Management Committee meeting today at EDDC headquarters in Sidmouth.

Outline planning permission is sought to establish if the location concerned is suitable for the type of development proposed.

If it is, a full planning application must be submitted and approved before construction can start.

■ **CHEQUE MATES** | The Seaton organising committee for Devon Air Ambulance has been presented with two cheques to take their fundraising total, up to an excellent £5,000.

The Jurassic Coast Bikers presented the organisation with a cheque for over £1,000. The bikers generously donated their time to help with the fundraising appeal after their own event had been cancelled due to poor weather.

Robert Sweetland, right, shaved his head in aid of Devon Air Ambulance and raised a fantastic £675 in doing so.

TOP STORIES FROM ACROSS EAST DEVON AND SOUTH SOMERSET

AXMINSTER

Carnival fun fair on the Webster's garage site

THE rejuvenated Websters site in Axminster will return to active life by hosting the carnival fun-fair.

Pulman's View can reveal that the sheer space of the site was so appealing that Herbert's Funfair decided to move away from its traditional base at Coombe Lane Car Park.

After decades of dereliction, the prominent Websters site will finally serve a purpose again. The site is owned by Hallmark Estates (Devon) Limited, and director Neal Hiscocks said: "You'll no doubt have been watching the progress of our clearance of Websters over recent months.

"I'm delighted to report that we're nearing the end of the process, so there shouldn't be many more weeks before the new car park opens."

As previously reported, permission was given last year to turn the site into a car park for up to five years until a permanent solution for the site is found.

Mr Hiscocks added: "In the meantime, the size of the space we've created has caught the eye of many parties including those with interests in the town's Carnival Week.

"Plainly, we have fewer residential neighbours than the usual site of the funfair in Coombe Lane and we were approached to be its 2015 location.

"After talks and consultation with East Devon District Council, I can confirm that Herbert's Funfair will indeed be occupying Websters from Sunday, September 13th until Sunday, September 20th, playing their part in Axminster Carnival Week's activities.

"As part of the agreement and upon departure on the 20th, the site is to be left tidy and litter-free.

"Then shortly afterwards, we look forward to announcing in the local press more details about the operation of a spacious and brand new car park in the most convenient and central location possible in the town."

From the editor's chair Passing of another hero

WHETHER we like to admit it, we all have heroes. In the world of newspapers I had three - I say "had" because the last of these died last week, I am saddened to say.

Those who have followed my columns over the years will recall that I have often written about the late Wally Fellender, doyen of local reporters in East Devon who covered the Axminster and Lyme patch for *Pulman's Weekly News* for 40 years, either side of World War Two, in whose footsteps I followed in the 1970s.

Wally was my mentor and my friend. He did a huge amount for Axminster and it always saddens me that his memory has never been commemorated. Far lesser souls have roads named after them.

My ambition as a cub reporter was to become the Manchester United reporter for the *Manchester Evening News*. I was beaten to it by David Meek who occupied that exalted position

for the whole of his career. Nationally, my big hero was sport columnist Ian Woolridge who continued his brilliant column in the *Daily Mail* right up until the day he died.

My third hero was a former editor of *Pulman's Weekly News*, Donald Mildenhall MBE, who graduated to the editor's chair of the *Western Gazette*, based in Yeovil, when it was one of the biggest circulating weekly papers in the country.

Donald, who died last week aged 89, was a giant of regional press, having been President of the Guild of British newspapers, representing 400 different newspapers.

He proved that a newspaper editor could also play a crucial part in community life, without compromising his journalistic principles, a policy which I have always tried to emulate, not always with great success.

So very few characters are now left in my industry.

OTTERY St MARY Opposition to homes near Slade Farm

OTTERY St Mary Town Council planning committee have 'vigorously opposed' the construction of over 50 new homes for the over 55s, near Slade Farm.

The application, which has been called unnecessary, damaging and contrary to many East Devon District Council planning policies, was presented in front of the committee and around 50 concerned local residents in the public gallery.

Issues raised concerning the application included the effect on Ottery's infrastructure, the validity of the application and the environmental effects the build would have on the area at Slade Farm.

In the past residents of Ottery St Mary have been questioned on how many homes they would like to see built over the next 15 years. The public returned a number of 100, which the town council thought was unreasonable and submitted the figure as 300.

HONITON 'We told you so' say the Senior Voice

HONITON Senior Voice (HSV) members say they have been vindicated two years after MP Neil Parish accused the organisation of making "spurious comments".

Mr Parish was invited to a HSV meeting in October 2013, called to discuss privatisation of the NHS.

The meeting quickly came to focus on a local non-emergency patient transportation contract awarded to private contractor NSL, and HSV chairman Vic Bowsher OBE said: "We have real concerns about this."

A debate developed and HSV member Tony Simpson presented a dossier of negative news articles from around the country about NSL.

In short, Mr Simpson expressed his concern but Mr Parish accused him of making "spurious comments" and added: "I'm sure some of the early mistakes have been put right."

Last week it emerged that the contract has been shortened by two years.

SEATON Revised homes plan for outskirts of town

REVISED plans for a 20-house development on the outskirts of Seaton, with reduced affordable housing, has been backed by planners.

Outline planning permission for up to 21 houses (with 40 per cent affordable housing) on land west of Barnard's Hill Lane has already been given by East Devon District Council (EDDC).

But a revised application for up to 20 houses (with 25 per cent affordable housing) will be heard by EDDC's Development Management Committee today (Tuesday).

The application has been referred to the committee because Seaton Town Council disagrees with EDDC planning officers.

Seaton Town Council opposes the application for a number of reasons, including highway concerns and the site being outside of the built-up boundary area.

EDDC has also received seven letters of objections from members of the public.

EAST DEVON Not fit for purpose

THE organisation responsible for the closure of in-patient hospital beds in Axminster and Ottery St Mary has been declared "not fit for purpose".

The damning verdict comes from The National Health Service Commissioning Board (NHS CB).

SOUTH SOMERSET Flood drainage under way in Chard

AN eight-week programme of essential anti-flooding drainage work is under way in Chard.

Highway bosses say traffic will be disrupted as a result of road closures during the works.

Work to upgrade the existing pipework and install additional gullies on the A358 Old Town and Church Street was set to start yesterday (Monday) and is programmed to take around eight weeks. Because of the narrow road, a full road closure will be required so the work can be completed safely.

The scheme will be carried out in two phases to minimise disruption as much as possible.

During phase 1 the A358 Old Town will be closed between the Mill Lane and Holyrood

Street junctions. Phase 2 will see the A358 Church Street/Tatworth Road closed between the Holyrood Street and Summerfield road junctions.

Concerns over another Thury Harcourt cafe

OPPOSITION TO TRAMWAY'S PLANS

by Anders Larsson

COUNCIL officers can't agree what impact a tramway cafe and gift shop will have on town centre trade.

Seaton Tramway's masterplan for a new terminus will be heard by East Devon District Council's (EDDC) Development Management Committee today (Tuesday).

The proposed terminal represents the biggest capital investment ever made in the tramway's history, and is seen as a pivotal piece of the Seaton Regeneration Site development.

The application on the table is for: "demolition of the existing terminus building, raised site and track levels, a new terminus building, a cafe, gift shop, storage areas and an additional length of track".

Although a small number of people have objected, there appears to be a large element of support, including from Seaton Town Council.

But the potential impact on other businesses has been flagged up by EDDC economic development officers.

It is not only other cafes and gift shops coffee that could be affected, but town centre trade as a whole, it is claimed.

A report from the economic development department said: "We want to ensure that a good proportion of the additional footfall generated by Seaton Jurassic and the new tramway terminus is dispersed around the existing town centre to promote wider trade and increased employment.

"We would like to ensure that, as well as being commercially attractive for the tramway, the new facility will complement the wider and longer-term regeneration strategy that is supported by local residents and businesses and promoted by the council.

"The issue is that the more commercial facilities that are provided within the new terminus - the second tramway cafe and gift shop - the more likely it is that visitors will engage less with the town to purchase food, drink and goods.

"We want to encourage people to visit Seaton and enjoy the enhanced local tourism offer in the development of Seaton Jurassic and expansion of Seaton Tramway but also explore and enjoy the rest of this growing seaside town.

"We would therefore advise against an oversupply of cafe provision on Thury Harcourt at this time.

"Drawing visitors from existing trading centres to a new 'hub' of cafes on Thury Harcourt Place would reduce the potential for linked-trips.

"It would serve to limit the opportunity for greater visitor spend dispersal across the town - most notably the existing High Street to the west of this site."

EDDC planning officers, on the other hand, are keen for the development to go ahead.

Their case summary said: "The proposal would represent one of the final pieces of the jigsaw for the re-development of this western end of the regeneration site.

"The improved facility and length of track would enable additional visitors to be accommodated, would improve the overall visitor experience and would better showcase the trams themselves.

"Concerns have been raised that the provision of a cafe facility within the building would represent an oversupply in the vicinity and where there are existing cafes related to the Tesco superstore, the Jurassic Coast Interpretation Centre and independent businesses to the south.

"Whilst it is acknowledged that provision of a cafe has the potential to vie for trade with existing businesses, the site is located within the town centre shopping area where there is general policy support for such uses and where such a facility, ancillary to the tram terminus, is not considered unreasonable."

Seaton Mayor Tony Woodman said: "The town council supported this application.

"There was a good discussion when it came before our planning committee with various issues raised, including the cafe aspect, but councillors felt the proposal was worthy of support and voted accordingly.

"The tramway is a major asset to Seaton bringing in many, many thousands of visitors and hopefully the proposed work will strengthen its position even further. This can only benefit everyone in the town."

Seaton and District Chamber of Commerce co-chairman Jenny Eagles said the chamber has not discussed the issue, so could not comment.

The terminus planning application will be decided during the Development Management Committee meeting today at EDDC headquarters in Sidmouth.

Police appeal after car window is smashed

POLICE are appealing for information after a parked car was damaged in Seaton.

A police spokesman said: "The front passenger window of a blue BMW 3 series was smashed while it was parked on Seaford Road between 10am on Wednesday September 2nd and 7am on Thursday, September 3rd.

"Officers are keen to speak to anyone who witnessed the incident or has any information that could assist with their enquiries."

Anyone with information is asked to call police on 101 or email 101@devonandcornwall.pnn.police.uk, quoting reference CR/061671/15.

Information can also be passed to Crimestoppers anonymously via crimestoppers-uk.org or by calling 0800 555 111.

Rotary aid reaches the Philippines

MEMBERS of The Rotary Club of Seaton and District have played an important part in helping a typhoon-hit community in the Philippines.

They have worked with one of its sister clubs in Australia, Illawarra Sunrise, to fund the construction of a waste water plant at Bagara Old Sagay City in the Philippines.

The area was completely devastated when Typhoon Yolanda, aka Haiyan, swept through the Philippines in 2013.

A spokesperson for the Seaton club said: "This system will treat the effluent caused and stop the spread of water borne disease.

"It will also recycle water for

irrigating crops. Twelve households have benefitted from this project.

"The Rotary Club of Seaton is raising funds to continue with this project and to help more families.

"If you could help us to achieve this we would be most grateful for donations which can be sent to: Rtn Jean Smith, Stafford Cottage, Stafford Cross, Colyton, Devon, EX24 6HZ."

Teens fundraise for mental health

A TEAM of youngsters spent a week fundraising and fighting the stigma of mental health issues in Axminster and Seaton.

With activities in Axminster and Seaton, the group came together under the National Citizen Service (NCS) banner to run the campaign.

class – and programmes take place outside of term time in spring, summer and autumn.

Known as Team Axminster, the group is based in Axminster but included Seaton in its list of campaign events.

After sitting down to discuss project ideas, members agreed mental health is a huge issue and warrants more attention.

A spokesperson said: "Despite the fact we're a small group of teenagers we still believe we can make a difference, albeit perhaps a small one".

"With an aim of defeating the stigma attached to mental health,

Team Axminster organised a series of events to raise both the awareness of the importance of mental health and funds for four charities: Arc, Axminster Health and Wellbeing Centre and The Project, as well as the national charity B-eat.

"After researching these charities, as well as a visit to Axminster Health and Wellbeing Centre, we gained an insight into the hard work and effort volunteers contribute to helping others.

"Today more than ever, levels of good mental health are declining across all ages and generations, and we want to get people talking about mental health and try to make a difference, no matter how small."

Team Axminster's Wellbeing Week included a children's craft day at Seaton Library on Wednesday, August 26th.

On the 27th, the team made an appearance at Axminster's Thursday Market, and a book sale and tea party followed at Seaton Library on the same day.

The penultimate event was a charity car wash at Axminster Guildhall on Saturday, August 29th before packing groceries at Tesco, Axminster, the following day.

"Emma is a gem, she is always cheerful and relentlessly outgoing, always prepared to

Carnival fever hits Seaton

■ **TRIUMPH:** The middle section of Nunsford Nutters' winning Gone Fishin entry

■ **(LEFT) PARADE:** 1st Seaton Brownies

■ **DINOSAURS:** 2nd Seaton Brownies

NUNS福德 Nutters' "Gone Fishin" float triumphed at Seaton Carnival, being named the Best Overall Float Entry.

Inferno CC and its "I Ain't Afraid of No Ghost" claimed the Best Overall Walking Entry title.

Seaton Carnival boasted 45 entries, three up on last year, for Saturday's showpiece. The record is 55 entries, set decades ago, so procession manager June Millman was really pleased with the number.

The procession route was lined with layers of people as the carnival circuit embarked on another season.

June said: "It must be the highest number of entries for some time, and entries were of a high quality."

"We had entries from as far afield as South Brent, Ipplepen and Totnes, for example, which is fantastic."

"The committee would like to thank everyone who supported and helped with the carnival. Without the people of Seaton supporting it, we wouldn't be doing it."

Fun-filled week for carnival

THE build-up to Seaton Carnival continued at a rapid pace with a crabbing competition, crowning of the queen, a street fayre, a quiz night, a murder mystery night, Carnival Cup Bowls and much more.

A whole host of events took place during carnival week including the crowning of the carnival royal party. Writer and broadcaster Anne Swithinbank had the honour of crowning Carnival Queen Jenny Webber, Princess Erin Ellis and Princess Haley Jones and a special cup was also presented to Jacqueline Baylis who was crowned carnival queen 50-years-ago.

Seaton Carnival Open Shore Fishing Competition was held on Friday, August 28th.

Conditions were not ideal but good fish were recorded at the 11pm weigh-in. Fish caught included grey mullet, golden grey mullet, mackerel, scad, bass, smoothhound, pout, huss, plaice and doggies.

With an entry of 48, the competition made £50 for

carnival funds. Simon Skinner of Seaton Sea Anglers claimed top spot with a huss of 9-11-0 and a doggie of 1-15-0 for Runner-up Steve Fowles of West Bay SAC produced a bass and doggie combination, whilst bronze medalist Scott Rice of host club Honiton SAC caught a grey mullet and golden grey mullet.

Mike Spiller of Honiton SAC said: "Thanks to everyone for supporting the competition and thanks to everyone that travelled down to fish the event."

A carnival street fayre took place on Bank Holiday Monday along with a bowls competition at the bowling green.

A car treasure hunt and summer skittles competition took place on Tuesday and Wednesday saw a "Battle of the Brains" quiz night at Seaton Town Hall.

A murder mystery night, presented by Seaton Drama Club, was on Thursday and a variety night starring Britain's Got Talent Juggler Phil Blackmore was held on Friday.

Saturday saw a fun dog show in the day followed by the grand carnival procession in the evening.

Geoff recognised for his services to Beer

GEOFF Pook has been awarded the 2015 Lambert Millennium Memorial Cup for services to the community of Beer.

Pook, who serves on Beer Parish Council and represents Beer and Branscombe on East Devon District Council, looked visibly stunned when Beer Regatta stand-in chairman Gayle Chapple announced the decision.

"I was really shocked and wasn't expecting that at all," said Mr Pook.

"I feel very honoured to have been given it."

The impressive-looking cup was first awarded in 2000 but for the first four years was given to the best decorated boat.

by Kevin Fahey

With the raft race supplanting that as the main event on Regatta Day, the committee decided in 2004 to re-direct the cup towards someone who has made a valuable contribution to the community.

"It was the year of the great flood in 2004 which happened the night before regatta and forced people to be evacuated and decimated the local cemetery," said Mrs Chapple.

"Our village road sweeper Kevin (Hale) made such a cracking job of clearing up the mess that we decided to award him the Lambert Millennium Memorial Cup.

"Kevin was the inaugural winner

and since then it has gone to various people like John Lang, Nigel Groves, Annie Boalch and Angie Cromwell and it is done by public vote.

"This year the overwhelming choice was Geoff for the great work he has done with the Community Land Trust in providing the new homes in the village."

Tumble dryer callout

ONE person was treated for smoke inhalation after a tumble dryer fire in Seaton.

Firefighters were called to a property in Boundary Park at 11pm on Friday, August 14th.

A spokesperson for the fire and rescue service said: "We were called by the occupier of a property to a tumble dryer on fire within a garage.

"The crews used two breathing apparatus and one hose reel jet to extinguish the fire and two thermal imaging cameras to ensure the area was safe.

"One male casualty was treated at the scene for smoke inhalation by fire service personnel."

Jenny's raising funds for her Borneo adventure

SEATON girl Jenny Weber has started a two-year fundraising campaign to get her to the Malaysian Borneo in the summer of 2017.

Jenny, who attends Axe Valley Community College in Axminster, is known locally as the 2015 Seaton Carnival Queen.

But the glamour of carnival glamour will be exchanged for hard work in the name of volunteering.

She explained: "As a volunteer, I will help teach English to the children, helping to improve standards in a school previously regarded as one of the worst in Malaysia.

"Other activities include learning local handicraft techniques like making hammocks, learning how to craft a dugout boat from a piece of driftwood and joining in with local music and dance recitals that help a new generation embrace the fascinating culture and traditions as they are passed down."

Jenny will be there as part of a team from Camps International, an organisation that works around the world to help developing countries and at the same time provide hard-working adventure holidays for young adults who want to make a difference in the world.

Forty per cent of the £4,000 cost

of the trip goes directly to the community where Jenny will be living and working for four weeks in the summer of 2017.

In this case, the location is Mantanani Island off the coast of the Borneo mainland in the South Pacific.

In addition to the hard work undertaken there, the volunteers will also get to spend time in a wildlife

reserve for orangutans, and achieve a PADI scuba diving qualification during the time they spend there.

Jenny has already raised more than £1,300 through activities such as car boot fairs, busking and selling personal possessions on eBay.

Pecorama goes green

A LITTLE piece of history was celebrated at Pecorama in Beer at the weekend with the launch of the first green railway engine.

BBC journalist and model railway enthusiast Ben Ando joined Pecorama MD Michael Pritchard and chief engineer John Macdougall for the ceremony, watched by a large crowd all eager to hop aboard to experience the new service.

"I think this is a first in the miniature railway world and, as far as I know, also a first in railways generally for a locomotive to be run on liquid petroleum gas (LPG)," said

by Kevin Fahey

Mr Macdougall.

"We converted a petrol engine recovered from a 40-year-old mini and it is green not just in colour but also in the fact that it is much kinder to the environment."

The project to develop the new engine to mark the 40th anniversary of the Beer Heights Light Railway took three years to reach fruition and it is the first new engine since the introduction of 'Claudine' in 2005.

Appropriately the name of the

new engine is 'Ben' in recognition of the guest of honour Ben Ando, who was first in line for a ride around the beautiful grounds at Pecorama.

"It is an absolute pleasure and honour to be here today," said Mr Ando, who made the long trip from his home in Cambridgeshire.

"Peco is an amazing company whose name is known throughout the world by model railway enthusiasts.

"Its products really are the gold standard and this new engine is beautifully put together."

THE 43rd Annual Exhibition of Seaton and District Arts Society put on a magnificent show as sales of their painting went up this year by more than £1,000.

Kilmington's John Walker picked up President Alan Cotton's Cup for best picture with an oil and mixed media painting called Sea Swell, which was sold at the preview.

The much coveted

Mitre Box Cup, which is voted for by the public, was awarded to retired Civil engineer Peter Lund (pictured) for his oil study of a GWR train steaming down to Devon.

Much of Mr Lund's career concerned railways and his accurate knowledge and powerful enthusiasm for steam trains has been long admired at the Seaton art society exhibitions.

Pedallers take on annual 100 mile ride

EVERY August, Seaton-based Axe Valley Pedallers (AVP) go for a long ride to check their fitness levels.

Previously this has meant a 100-mile ride over the Devon and Somerset hills, starting at dawn and, in some cases, not limping home until after dark.

This year a shorter

100km ride was also introduced as an alternative.

Sunday, August 16th saw 30 cyclists slowly waking up in the early morning sunshine for a photograph outside Seaton tram station before setting off on either a 100-mile fast ride to Portland, or a gentler 100k (62.5 mile) jaunt to Willand.

AVP spokesperson Rob Watson said: "Both rides went very well, with only a few minor problems on route, and the occasional herd of cows blocking the road.

"Delays were few and both groups were safely back by mid-afternoon.

"On board computers registered a greater than 13mph average, even for the 'slow' group (excluding welcome coffee stops at Cafecino on Portland and the Bluebell Cafe on the A38, near Willand).

"Official figures for the fast ride were 106 miles and 8,700 ft of climb in 7 hours and 40 minutes."

The routes - devised and lead by John Messenger and Clive Heard - were published in advance on AVP's Facebook page, where pictures, maps and other details of AVP cycle rides can be found. Information is also available at www.axevalleypedallers.org.uk

Town crier helps celebrate century

A XMINSTER Town Crier Nick Goodwin gave a special cry to Joan Meeson, who turned 100 years old on September 2nd.

Joan was born during World War One and was married and widowed during the Second World War, when her RAF pilot husband was shot down in action. She is therefore one of the few remaining war widows from that time still alive today.

Joan lives at Royal Oak Farm, near Stockland, with daughter Julia and son-in-law David, who run a Pick

Your Own farm and tearoom.

Her scones, shortbreads, and fruitcake recipes are still used in the tearoom to this day.

Joan is pictured (seated) with her special cry, Town Crier Nick Goodwin and three generations of her family.

Holditch holds 60th flower show

A LARGE crowd turned out for the 60th Holditch Annual Flower Show, held in Holditch Hall on Saturday, August 8th.

The show was opened by Julia Snellcock from Thorncombe, who said she was honoured and impressed by the standard of exhibits.

A total of 571 entries were on show including 149 from the children.

Spokesperson Katrina Herrod said: "The afternoon went with a swing and we celebrated 60 years with a glass of wine and a piece of cake, kindly made by Joanna Turner and cut by June Ball, president to the show.

"Mrs Ball presented the trophies and Mr George Eyres kindly donated and presented all the children with rosettes to commemorate the 60th year.

"The afternoon was brought to an end with an auction, during which Will Handel auctioned the flowers, vegetables and home produce.

"The hall committee would like to thank the judges, exhibitors, stewards, visitors and everyone who helped make the show a wonderful success."

Busy week for Hawkchurch

HAWKCHURCH Fete ended a week of busy events in the village, which was well attended inspite of damp conditions.

This year fete week ran from Sunday August, 23rd culminating with the fete itself on Bank Holiday Monday.

Xtreme Falconry entertained crowds with their birds of prey and other entertainment included the Karizma Majorettes and music from local duo Nyther Nore.

Fete committee secretary, Christine bright said: "Following a few wet days we were blessed with fine weather on Monday afternoon, and

the number of visitors were slightly down on our previous best.

"It is still too early to publish the financial outcome but the Grand Raffle raised £716 which will enable beneficial donations to the Devon Air Ambulance and Shelterbox.

"On behalf of the committee, I would like to thank all our sponsors without whom it would not be possible for the fete to assist, not only the Devon based charities, but village or organisations too.

"I would also like to thank all those who helped to organise the week's events and provide the much needed

'manpower' which made the fete possible."

This year's village dog show, part of fete week, was well attended with Colonel, owned by Mr R Hayward, winning Best Puppy, and Jed, owned by Brian Pankhurst, winning Best in Show (pedigree section).

Reserve Best in show (pedigree section) was won by Rosie owned by Mr & Mrs J Bridge. Best in Show (family section) was won by Tya owned by Mr L Kitcher and Reserve Best in show (family section) was won by Dudley owned by Sharon and Mike Blake.

The winning parachutes at this year's teddy bear parachute jump were - first: Sophie Howard; second Jessica Howard; and third Lucy Mackenney.

Winners of the car treasure hunt were the Atrill family, with Mr and Mrs Froom in second place and Mr and Mrs Ransford and Mrs S Bowditch in joint third place.

Triumphant return for Chardstock Street Fair

CHARDSTOCK Street Fayre's return, after a break of two years, put something very special back into the village, organisers say.

It brought together The Street Fayre Team, Chardstock Vintage Tractor and Machinery Club and St Andrew's Church in the organisation of a day of activities which offered something for the whole community and was hugely enjoyed by all ages.

Publicity officer Graham Vyse said: "The whole purpose of this event was to have fun and, at the same time raise funds for local good causes, among them this year Hospiscare, ARC Axminster and Cancer Research.

"It is too soon to report exactly how much was raised but early indications are that the nominated good causes will benefit significantly from the Street Fayre 2015.

"The Street Fayre Team would like to thank all those who gave their time so generously in order to make the event so enjoyable and successful and to all the visitors who came and gave their money so freely.

"Here's to Street Fayre 2016."

Re-routed bus to bypass Beer

■ I READ with dismay the report in last week's (1st September) edition of this paper under the heading 'Half-Hourly bus to run between Bridport & Axminster', which actually related to the re-routing of the X53 bus service. Initially I thought it referred to the Sunday service, which has stopped at Lyme Regis during the winter months for a couple of years. However, having re-read it several times, I checked the online timetable, and realised it is to include weekdays as well!

Aside from the fact that this is 'The Jurassic Coast' service, and since when has an inland route via Axminster been coastal, this will mean that our only service into Exeter will be the 52A operated by Stagecoach (a mind, and a bum, numbing journey at the best of times, as it slowly meanders its way through Sidmouth).

Yes, this does currently provide a more frequent service, being hourly, but it completely bypasses Beer so it would appear there will be no direct service into Exeter from there at all. Also, for some, the X53 is their only means of getting to hospital appointments at the RD&E Wonford. As the 52A approaches Exeter via Heavitree, this will now mean a walk

from Livery Dole (an impossible distance for many older people), or bus hopping in Exeter, again involving walking a fair distance, as the Hospital bus does not use the bus station.

There will also be no service at all in the opposite direction towards Lyme Regis, other than going first to Axminster!

Given the cutbacks in bus services generally, it does worry me that come next spring when the summer timetables are announced, we find that the X53 via Seaton into Exeter is not being reinstated!

Given also the large numbers of year-round visitors the new Jurassic Centre is hoped to attract, surely the last thing we need is a reduction in transport links to Seaton.

Flowers are an investment

■ I WOULD like to express my sincere thanks to the Rotary Club of Axminster for not only honouring Apple Tree with their Best Floral Display award, but for actually having such an award in the first place!

Having visited other towns around us, floral displays really do make a massive difference to encourage people to visit and then, hopefully, spend money in our town.

I would urge other businesses to join in with floral displays. The cost comes out of my marketing budget and is one of the best investments I make each year.

I would also like to take this opportunity to commend the members of Rotary for all their hard work and dedication that they each personally put into making Axminster a better place to live and have a business.

LISA LYMAN
Proprietor, Apple Tree

BOB Carter lives in Honiton with his wife Ros and works with Honiton Cats Protection, a charity that helps cats find new homes. He has risen from adopter, to secretary, to the new co-ordinator of the branch.

● HOW did you become involved with Honiton Cats Protection?

My wife would be classed as an All-urophe, and started fostering with Honiton cats Protection in 1992, and I helped her with looking after the foster cats and going on home visits.

In 2003 I became Secretary for the Branch, and continued with assisting my wife fostering, catching strays occasionally, going to check the suitability of homes, when people want to adopt cats etc.

● WHAT are the most rewarding things about helping animals?

Fostering can be very rewarding. Late one night we picked up a cat from Turks Head. It was badly injured as its collar was around her head and paw. After many visits to the vets, her injury was no better, so the vets did a skin graft, which, after three months' care did the job. Following advertising Phoebe, as we called her, was reunited with her original owners. She had been gone for more than a year, and the owners had given her up for lost, so it really was a happy ending.

● ANY unusual incidents?

WE had a mother with some six-week-old kittens, who had not been socialised. My wife Ros warned me that they were a bit feral, but I said they were only six weeks and needed to be handled, I picked one up, and within an instant the kitten had sunk his teeth in my little finger, they only have their baby teeth at that stage, but it was like a few needles going in! It was slightly embarrassing going to Honiton A&E to get it seen to! (I needed a large tetanus jab).

● YOU became the co-coordinator of the branch, what's that like?

It can be quite challenging at times dealing with some difficult issues, there are occasions when you need to take some diffi-

cult decisions, for example if a cat has serious health problems, but there are fortunately many more times when we find a lovely new owner a feline companion, and we get photos of the adopted cat in their new home.

Being involved in this work also has sometimes unintended results, in the last few years some of the foster cats have "adopted" us and have come out of the pen into our home and we wouldn't be without them now!

● WHAT other challenges does the organisation face?

Getting enough volunteers to help with fostering the cats in our care, and also to help in our shop in the High street, which is our biggest source of weekly income, in order to be able to do what we do. We do need another fosterer and shop volunteers are welcomed with open arms.

● APART from fostering cats what other aims does Honiton Cats Protection have?

One of Cats Protection's aims is to try to stop too many unwanted cats. This year we have been running a scheme for neutering and microchipping for the EX14 area for £10. Last year we neutered 266 cats, and this year so far about 100, we hope in the long term this will assist in reducing homeless felines.

● YOU'VE been fostering cats from the Cats Protection since 1992?

I HAVE always had cats, from a very young age and they never stop being entertaining. We had a "cat proof" fence built around our back garden, partly to let some of the foster cats have a bit more freedom. At the time we had two cats called Betty and

60
seconds

Boop, who we let out in the fenced area. Within about two minutes of being let out, Boop had climbed the fence, and got onto the roof of the bungalow, and we then spent the next hour trying to coax her down! These two cats were homed to a lady in Honiton, who soon became our Treasurer, so cats help with making new friends!

● HOW many members does Honiton Branch have?

WE are a small branch covering the EX14 area and have between 30 to 40 members, membership is only £8 a year and you get our small magazine three times a year to keep you in touch with everything.

● HOW many cats do you help each year?

Last year we rehomed 42 cats, and kittens, together with helping reuniting strays with their owners, ferals and other cats in need.

● DOES any of your funding go to the national organisation?

No, all monies raised in the shop or other fundraising goes directly to help cats and kittens in the Honiton area only. We do get a grant to help with neutering, but we keep all money that we raise in the area. We really are a local charity.

Gas Safety Week .co.uk

Keeping our nation safe

14th - 20th September

www.gassaferegister.co.uk

GAS Safety Week is a national safety campaign to raise awareness of gas safety in the UK's 23 million gas fuelled homes. It is co-ordinated by Gas Safe Register with support from the gas industry including retailers, manufacturers, consumer bodies and the public.

Gas Safety Week is a national safety campaign to raise awareness of gas safety in the UK's 23 million gas fuelled homes. It is co-ordinated by Gas Safe Register with support from the gas industry including retailers, manufacturers, consumer bodies and the public.

Why get involved?

Be part of a national safety campaign, joining thousands of organisations across the UK to help people stay safe as well as raising the profile of your organisation. Here are some of the reasons that businesses take part:

Corporate social responsibility - help to protect your customers and save lives.

September is the start of the heating season, many people will be turning on their boilers.

Gas Safety Week is a national campaign with extensive national and regional media coverage - the campaign reached over 147 million people in 2014.

4,321 organisations supported Gas Safety Week 2014 - don't miss out to your competitors.

Improve your brand awareness - all supporters appear on the website.

Keep your home safe

BADLY fitted and poorly serviced gas cookers, fires and boilers can put you at risk from carbon monoxide poisoning, gas leaks, fires and explosions. Just like you get your car MOT every year, you should have your home gas safety checked every year by a Gas Safe registered engineer.

-  Check your gas appliances every year
-  Check your engineer is Gas Safe registered
-  Check your engineer's Gas Safe ID card

Did you know?

Every year thousands of people across the UK are diagnosed with carbon monoxide poisoning. It is a highly poisonous gas. You can't see it, taste it or smell it, but it can kill quickly with no warning.

Gas Safe Register estimates that there are around 7,500 illegal gas fitters operating across the UK and up to 250,000 illegal gas jobs may be carried out each year (Gas Safe Register Research 2009).

Although there is awareness that gas appliances need to be safety checked annually, 43% of Britons don't do it, and 10% have gas appliances which have never been checked (Gas Safety Week Research 2011).

Young People take the Lead

TWO YOUNG people play the lead roles in Tale Valley Community Theatre's (TVCT) new production 'They Dream of Home' which deals with WW1 and which specifically relates to the East Devon village of Payhembury.

Fifteen year old Catherine Davies a student at Uffculme School plays Gwen who, in a burst of first love is attracted to village boy Albert (Bertie) Willis, as he is to her. Bertie is played by sixteen-year-old Caius Nicholas, a student at King's School, Ottery St Mary. Under the gaze of the close-knit and ever vigilant community they have no opportunity to declare or pursue that love before Bertie joins the Army. The audience see him and his best friend Thomas (Tom) Dimond being trained before they are shipped to France. We see them engaging in trench warfare and the Christmas Truce before they are both killed.

Bertie and Tom are based on real characters whose names appear on the Payhembury war memorial. Ken Dimond, the nephew of Tom lives very close to the memorial and will speak to the audience at the play's end. He has given permission for his uncle's identity to be used as has Jenny Shearn (née Willis), niece of Albert who lives in Australia.

'They Dream of Home' is a promenade production. The scenes happen in a range of Payhembury locations and the actors and audience members walk from scene to scene, culminating at the War Memorial.

'They Dream of Home' is laced with WW1 songs and music, supported by a 14-piece brass and silver band. The musical director is Andy Hague. Audience members will sing the choruses as they move from scene to scene. Theatre special-effects specialists will create the atmosphere of the trench warfare and authentic uniforms and rifles will be used. Due to its promenade style in which the audience is often very close to the action, audience numbers are restricted to 120 for each performance on the 19th and 20th September. Tickets can be obtained from Paula Nelson at paulafnelson@aol.com or 01404 841232. You can see more about TVCT and its original work at tvcttheatre.org

The Sirens are sounding good

IT'S BEEN a whirlwind year for Exeter based duo Sound of the Sirens since being endorsed by Freshman Guitars at last year's London Guitar show. It has seen them play at Frankfurt Musikmesse, Europe's largest music trade show (where they secured endorsements from Elixir Strings and Richter Straps), tour with local legends Mad Dog McCrea, support established artists like Nizlopi, Hayseed Dixie and Dodgy, launch a charity single for St Petrocks Homeless Charity, release their latest EP 'All We Have is Time', film a music video, make their Glastonbury festival debut and culminate with a live appearance on Chris Evans' breakfast show, followed up by a Main Stage performance at Carfest South to a crowd of 30,000 people.

Of their Glastonbury experience, Abbe said, "It was fantastic and we

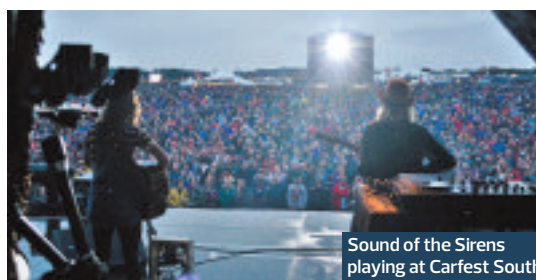

were on such a high, to look out and see a tent full of smiling faces. To play at Carfest was just amazing; to see all of those people clapping away to our songs and cheering us was incredible. Our faces were aching from smiling so much! It was the best experience for us after working hard for so long in a notoriously tough industry and we couldn't be happier."

"Playing at such a great event for such a great cause (BBC Children in Need) was a privilege and we couldn't be happier with the response we got" added Hannah.

"We were obviously nervous about the radio show, but I don't think I thought about it enough beforehand because it's was a case of "right this is happening, get that planned get this organised, do that..." that I didn't actually think about what I was planning towards until suddenly the day was here and my stomach was just turning in circles. Then we got there and it was fine; don't even think about it; don't look at Facebook; don't look at your phone; don't look at messages; and don't think about everyone we know sitting around the radio like the 1940s or something listening to us.

"We are so grateful for the support of our friends and fans and their comments on our Facebook page and Twitter feed; we are extremely lucky to have such a great bunch of people behind us.

"We are eternally grateful to Chris Evans for giving us these opportunities - the radio slot and the festival were the highlights of our musical career so far, and what we have been aiming for all these years. We hope this leads to bigger and better things. In the meantime, we will carry on writing, performing and enjoying every minute of this journey and all

of the opportunities that seem to keep coming our way. We definitely don't want the excitement to stop so we will keep pushing our luck to keep it going for as long as possible, and who knows where we will end up. We can't thank all of our amazing friends, family and fans enough, without them, we wouldn't have the belief in ourselves to have pushed it this far."

Talented young musicians to play Concerts in the West series

THE RENOWNED American jazz saxophonist Charlie Parker famously said: "Don't play the saxophone. Let it play you". For many saxophone players, this quote sums up what is often a love hate relationship, but at just 23 years of age, saxophonist Huw Wiggins' 'Liquid gold tones' certainly sound like he's having a pretty good time playing his chosen instrument.

Wiggins is already in great demand both in the UK and abroad where he is recognised as a remarkable soloist and chamber musician. So it's understandable that Catherine Hodgson, the founder and director of Concerts in the West, is immensely excited to be welcoming Huw to the West Country where he will be touring in September for the music charity.

In what is after all a relatively short career to date, Huw has already notched up an impressive list of awards (including Commonwealth Musician of the Year), together with an action-packed high profile touring schedule. Highlights of 2015 in-

James Sherlock

clude the commissioning of a Saxophone concerto, a return visit to the Edinburgh Festival, the opening performance in the Beamminster Festival and the release of a concerto CD. Amidst this he still manages to find time to continue his own studies, as well as teaching saxophone.

A review in *The Times* praised Huw for his "Liquid gold tones and enviable breath control", which explains why he is rated as one of the most popular saxophonists of his generation, despite only having graduated in 2012 from the Royal College of Music where he gained a Master's degree with distinction.

Huw Wiggins will be partnered throughout the September concert tour by pianist and conductor James Sherlock - another musical prodigy - who only made his debut in 2014 at the Carnegie and Tchaikovsky Halls. He will be appearing as a soloist with the London Philharmonic and English Chamber Orchestras, as well as performing three times at the Wigmore Hall and debuting at the Schubertiade Hohenems. He performs Bach's Das Wohltemperierte Klavier in the Edinburgh Festival and around the UK.

As a conductor he has been selected by the London Symphony and Berlin Philharmonic Orchestras to take part in the International Artists Academy, and will make return appearances with the Forest Philharmonic and Southbank Sinfonia, as well as with his own Ensemble Passio.

Sherlock is a winner of the Royal Overseas League Piano Competition

Huw Wiggins

and the ROSL award for accompanists, Das Lied International Song Competition, the BBC Performing Arts Trust, Award for Young Concert Artists and Gold Medallist at the Marcello Galanti International Organ Competition.

Huw Wiggins and James Sherlock will perform a Coffee Concert at Bridport Arts Centre on Friday, September 18th from 11am-12pm (tickets £10/£8 from www.bridport-arts.com), and later that day at Ilminster Arts Centre at 8pm (tickets £15 from www.themeetinghouse.org.uk or by calling 01460 55783). The duo will also perform at The Hub, Church Street, Lyme Regis on Saturday, September 19th at 7.30pm (tickets £15 from Serendip, Lyme Regis 01297 442594).

Porter to play Pinhoe

"ALL OUR second chances come when we're done closing our eyes," writes Willy Porter in a lyric from 'Human Kindness', the title track of the new album. Porter's new record encompasses more than the outstanding musicianship audiences and critics have come to expect from this indie-artist, it is also a call to make a positive impact in our own communities.

Human Kindness features the talents of artists such as Martin Barre, Natalia Zuckerman, Carmen Nickerson, and Peter Mulvey and sets Porter's blistering guitar work against a big studio sound on a stunning book of songs that explore themes about connection, compassion, and the human journey.

The seeds of the album came from an incident Porter witnessed of a man pulling a woman out of the path of an oncoming bus. That remarkable and simple act prompted Porter to explore bigger questions about the nature of human kindness in all its many forms and to ask "What would be possible if we saw one another with open eyes? What would change if we engaged with each other on a human level just a little bit more?"

This mindset has inspired Porter to launch a year-long campaign connected with the release and tour of this record. The Year Of Kindness is a call to action for people to get involved in giving back to their communities. Willy Porter has been making first time listeners into diehard fans for more than two decades. It is his warmth and wit that keep people grinning, but it is his music and humanity that keep them coming back for more.

Willy Porter will play at America Hall, Pinhoe, Exeter on Friday, October 2nd. Tickets are £10, available from wegottickets.com

RIDGEWAY COUNTRY HOTEL

A great venue for every occasion

KEVIN, Carole and Cohen welcome you to The Ridgeway. We have been here for over 27 years, and now that Cohen is a little older, we have increased opening hours.

The Ridgeway is open Tuesday through to Sunday for a traditional lunch. It is always best to call ahead if you are making a special journey as we do try to have the occasional day trip with Cohen.

If you are planning a party or celebration, why not call to discuss your arrangements? We have a civil license for wedding and civil ceremonies, or the Rafter's restaurant is a great venue for those special birthdays or anniversaries, and is available for private hire.

Our Christmas menu is now out and we

cater for parties from mid-November until December 23rd, with two course menus starting from £15.99.

New for autumn 2015 is our wood fired oven, so come and try our authentic pizzas and watch them being cooked from £8.50. The sizzling rib steak platter for two is available for £25.

At the moment we are only lighting the oven on a Friday night, Saturday night and Sunday lunch, although book a party and we will exclusively light it for you (minimum eight people).

So why not visit the Ridgeway for great food, great atmosphere and great company?

Calling all Rock and Pop Singers in East Devon

IF YOU LOVE singing and you love Rock, Pop and Gospel music then this is the choir for you. There is no audition necessary and we sing the latest most up

to date material with some lovely oldie songs too.

People come from as far afield as Yeovil and this term we will be bussing you all to perform at Dunster by Candlelight for Christmas. Maybe you have done Amateur Dramatics or been in Musical Theatre groups locally and want to have a go at something current and up to date - then this is the choir for you. The East Devon Rock Choir started out in Axminster and we soon grew too big for the venue we had in Axminster and so we had to move. Our new venue is Kilminster Village Hall and the autumn term starts on September 21.

Top trumpeter to play with Trio

BUILDING ON the success of their gig there in May, The Neil Burns Trio returns to Ilminster Arts Centre on September 11th, this time in the company of a very special guest, Steve Waterman. Steve is one of Britain's top jazz trumpeters whose regular performances

with the Trio have included several successful short tours in the West Country.

Comprising double bass, drums and guitar, the Neil Burns Trio play original compositions and standards from the great American songbook as well as modern jazz classics, and they are building quite a reputation for themselves on the jazz circuit. The Arts Centre audience certainly enjoyed the band's previous visit and this latest concert offers an exciting opportunity to hear them play again, with added trumpet action!

Steve Waterman is an award-winning virtuoso trumpet player who has played with many of the biggest names in jazz, including Andy Sheppard, John Warren, Victor Mendoza and Graham Collier. A highly re-

spected jazz educator and composer, Steve is also professor of Jazz Trumpet at Trinity College of Music in London and visiting Jazz Trumpet specialist at The Royal Northern College Of Music and The Welsh College Of Music And Drama.

Neil Burns started playing guitar at the tender age of 9, and was introduced to the music of Miles Davis, Charlie Parker and Billie Holiday via his father's record collection. A member of the Devon Youth Jazz Orchestra, he started playing professionally in his teens and has toured with the Pete Allen jazz band. He is in demand as an accompanist for visiting musicians from the UK and USA, such as Jacque Dankworth and Johnny Lipiet. The Neil Burns Trio with Steve

Waterman play at Ilminster Arts Centre at the Meeting House on this Friday, September 11th at 8pm. Tickets are £14, and a pre-show supper is available at 7pm, but must be booked in advance. For more details and to book call 01460 54973 or visit www.themeetinghouse.org.uk

FRANK PROPERTY ANNOUNCE THEIR LUXURY LONDON MINI-BREAK WINNERS

FRANK Property has just completed a successful Valuation Month which ran throughout August, where free, no obligation, market appraisals were carried out.

It was a fantastic success, which will be repeated next year. We gained some

wonderful new instructions, meeting lots of lovely people along the way. Every person we visited was then entered into a prize draw, with the chance to win a luxury mini-break in London, with tickets to see the acclaimed War Horse production.

We chose the winner, at random, on Friday 4th September, and are now pleased to announce the winners are Kevan and Tina Maguire from The Chattlebox in Seaton and pictured is Madi Apps (aged three) drawing

their names at our offices in Cross Street, Seaton. We hope Kevan and Tina have a wonderful time and we look forward to hearing all about it. For those who didn't win, may we take this opportunity to thank you for inviting us out to your homes - it was a pleasure to meet you and if we can help in any way in the future we would be pleased to be of assistance.

New FIAT 500 goes on sale

EXACTLY eight years and more than 1.5 million units since it was launched (on the 50th anniversary of the original car's launch) the successful and iconic FIAT 500 makes way for its successor: the New FIAT 500. Retaining the unmistakable look that has made it a global best-seller, the new FIAT 500 hasn't grown in size (L 3.57m / W 1.63m / H 1.49m / WB 2.30m) but instead has grown in maturity with advanced technologies, improved efficiency, even more customisation ideas and a Centro Stile FIAT-refreshed exterior and interior.

No fewer than 1,800 changes have been made to produce the New 500, all designed to enhance the ownership experience and refine its inimitable style. The most changes can be found at the front: New FIAT 500 retains the "face" of its predecessors with headlights which are still circular in shape but which adopt innovative polyelliptical modules for improved night vision and extra safety. These clusters integrate the dipped-beam headlamps and turn signals, while lower light cluster integrates the main beam headlights and LED daytime running lights, which adopt the circular profile of the lamp to graphically reproduces the zeros of 500. The bonnet retains its distinctive, traditional clamshell form, another nod to its legendary predecessor, while the trapezoidal nose gets more pronounced ribbing and the auxiliary air vent is now fed via a three-dimensional grille (with chrome-effect buttons on the Lounge version) flanked by chrome brightwork to give the New FIAT 500 stronger visual presence.

New 'empty' light clusters, comprised of

ring-shaped structures with body-coloured centres, define the revised look of the rear, with the fog light and reversing light relocated to the edges of the redesigned bumper trim to improve safety by separating illumination functions.

New alloy wheel designs are also introduced on the New FIAT 500: Pop Star and Lounge models have 15-inch alloy wheels as standard (a £320 option on Pop models) with 16-inch wheels available as a £370 option on Pop models and a £130 upgrade option on Pop Star and Lounge models. An elegant, new diamond-cut design is also available across the range priced

from £350 on Pop models or as a £150 upgrade on the rest of the range.

The colour palette now totals 13 hues, including seven special pastel shades ('Bossa Nova White' is standard, the other pastel colours are a £350 option), one tri-coat finish ('Urban White' at £740) and five metallic colours (a £460 option) including two new colours: Glam Coral and Avantgarde Bordeaux. Two striking black-yellow and black-red variants are also available as part of the FIAT 500 'Second Skin' programme which offers a range of customisation options capable of satisfying every creative taste imaginable.

The all new BMW 3 Series 2015

▲ BMW 340i M Sport Saloon

WHEN an industry segment is named after one car, the domination of that car is evident. Over the past 40 years, 'the 3 Series segment', as it has become known, clearly defines the dimensions and performance of the smaller executive car class. The model range was launched 40 years ago to replace the already legendary BMW 02, and has now just had an extensive update as part of the planned life cycle of what is now the sixth generation. Today, as in 1975, purchasing a BMW 3 Series represents an expression of joy in sporty, agile handling, enthusi-

asm for innovative technology and appreciation of premium quality.

First unveiled at the 1975 International Motor Show (IAA) in Frankfurt, the BMW 3 Series has since developed into both the brand's most successful model range and an international bestseller. And that makes the 3 Series a highly effective global ambassador for BMW's core attributes. Its history is testament to the advances achieved by the German carmaker in the areas of sporting ability, efficiency, safety, comfort and connectivity, as well as to the development of BMW design.

Again and again, the introduction of trail-blazing technological innovations in the BMW 3 Series has also broken new ground in the mid-size class in general. Moreover, for four decades now the BMW 3 Series has led the way with new vehicle concepts that have expanded the brand's model line-up and injected fresh ideas into the segment as a whole.

The underlying character of the BMW 3 Series endures from generation to generation, complemented by the addition of new technological advances. Its design has likewise been shaped by a characteristic BMW sense of continuity and evolution. Indeed, throughout the model range's history, its striking front end with twin circular headlights and familiar BMW kidney grille, the dynamic lines of the car's flanks and the powerful rear end have always been quick to catch the eye. As for the interior, the unmistakable driver-focused cockpit design already established itself as a key element in the first model generation. The 3 Series' exceptional run of victories in race competition has also contributed to the car's status as a byword for sports performance. From the success notched up by the original BMW M3 which came in the second generation, E30 series, its enviable record has continued all the way to

victory in the German Touring Car Masters (DTM) race series in 2014.

The first generation of the mid-size sedan delighted customers with a level of sporty handling never before offered in this segment, while also impressing with its super-economical engines. Thanks to the performance and sporty, commanding character of those engines, the transfer of power to the rear wheels and the efficiency with which the resultant driving pleasure is conjured up, the BMW 3 Series continues to rise above its rivals to this day.

In 1977, two years after the launch of the new model range, the BMW 3 Series

became the first car in its class to be available with six-cylinder engines. Further innovations were to follow, including revolutionary injection and engine management systems, ultra-sporty diesel engines and weight minimisation through the use of aluminium and magnesium.

Today, the new generation of BMW Group engines in the BMW 3 Series lies at the heart of BMW Efficient Dynamics. The continued improvement in engine performance and driving attributes, coupled with reductions in fuel consumption and emissions, has been a decisive factor in securing the pioneering status of the BMW 3 Series.

It's 'term' for some sound lessons with the IAM

THIS week the IAM's head of driving standards, Peter Rodger is offering advice to parents who will be driving their children back to school across England and Wales. Here's how drivers can ensure their children and themselves stay extra safe on our busy roads.

Make sure your children's school bags and lunches are prepared in advance so you are not leaving in a hurry in the morning. Being rushed will only reduce your concentration at the wheel and will make you drive erratically. A little preparation can go a long way.

Never stop on the zig-zags by the school gate; it's dangerous and you may be given a penalty notice. Once parked in a safe place ensure you let your passengers out on the pavement side.

Be prepared for children trying to get out the car in a rush especially when approaching the school gate. Use the child lock feature and ensure they are wearing their seatbelts so they are secure for the length of the journey.

Try to arrange for a car pool with other parents. The fewer vehicles around the school gate the better.

Roads surrounding schools are sometimes 20mph so it is essential that you keep to the limit and keep an eye out for children crossing the road and emerging from between parked vehicles as they may not be paying attention.

New starters attending reception class are unlikely to understand the

dangers of the road. Bear this in mind when driving nearby and keep your eyes peeled for children wandering into the road alone. If you're dropping off young children, always get out of the car and walk them to the front gate.

Do keep in mind many youngsters in the autumn are walking to school for the first time, especially those going to secondary school. So don't assume because the children are older they will be more aware of what's going on around them. The casualty figures show us this age group is the most likely to be involved in an accident and this time of year is the most likely for it to happen, so take extra care.

Keep in mind that the key time for youngsters going to and coming back from school are from 7.30am and from 3pm. Be aware that bus stops around housing estates will most likely be busy with youngsters getting off and getting on coaches and buses.

If your children are walking to school you should still make them aware of potential hazards on the road. Make sure they look both ways before crossing and encourage them to use a pedestrian crossing if there is one.

Peter said: "Road safety is often the last thing on the minds of parents and children on a busy school morning. But this is the busiest time of the day on our roads – and chances of an accident occurring are much greater. Make sure you teach your children the lessons of road safety when the pressure is off, and they are likely to remember them when it counts."

All-new Ford S-Max and Galaxy achieve maximum 5-star Euro NCAP safety ratings

THE all-new Ford S-MAX sports activity vehicle and Galaxy people mover have been awarded the maximum 5-star safety rating by independent crash test authority Euro NCAP.

The technologically advanced S-MAX and Galaxy are offered for the first time with second-row seat side-airbags for additional passenger side-impact protection, and also offer first and second-row seatbelt pre-tensioners with load limiters to further enhance rear passenger safety.

Both vehicles use ultra-high strength hydro-formed steel in the A-pillars, B-pillars and roof rails for enhanced side impact performance.

In addition, S-MAX and Galaxy offer Ford's sophisticated Pre-Collision Assist with Pedestrian Detection technology that can reduce the severity of some frontal collisions involving vehicles and pedestrians, or even help drivers avoid some impacts altogether.

"As Euro NCAP's 5-star standards climb higher, Ford vehicles continue to reach the organisation's stringent expectations for crash protection," said Roelant de Waard, vice president, Marketing, Sales & Service, Ford of Europe. "Both our all-new S-MAX and Galaxy deliver sophisticated safety features including our new Pre-Collision Assist technology to provide exceptional protection for drivers, passengers and pedestrians alike."

New second-row seat side-airbags for the S-MAX and Galaxy join driver and front-passenger, driver-knee, and first-, second- and third-row curtain airbags. Seatbelt minders feature for all three rows of seats in the Galaxy and for the S-MAX when specified with

seven seats – helping parents ensure children remain safely buckled in. The use of hydro-formed steel contributes to a three per cent increase in body strength.

Local sport round-up

Spot on Alex – but Tigers beaten

Honiton Town hit Premier top spot after derby-day triumph

Newton Abbot Spurs 4 Axminster Town 2

South West Peninsula League D1 (E)

AXMINSTER Town came off second best in an eventful encounter that yielded three penalties and a red card at the Recreation Ground.

The Tigers grabbed an early advantage when Alex Wheatley successfully converted from the first spot-kick.

Joe Andrews levelled for the hosts on the half hour and the half finished 1-1.

Two Adam Dyson goals soon after the turnaround put the Spurs in control only for Wheatley to bag his second penalty following an incident that saw home defender Kevin Dadd red-carded.

The 10-men restored their two-goal lead through Will Hancox nine minutes from time to leave Ax empty handed having shipped 16 goals in their last four outings.

Tigers: S.Wells-Burr, M.Smale, J.Hurford, G.Macauley, C.Duchenski, N.Warren, A.Wheatley, C.Garrett, A.Cowling, T.Pinder, L.Cleal. Subs: B.Turner, B.Miller, D.Galloway.

Sidmouth Town 3 Appledore 4

APPLEDORE'S Joe Barker scored four goals, with an injury time winner in an enthralling encounter at Manstone Lane.

Three times the visitors got their noses in front and three times the Vikings got back on level terms.

Inside the first ten minutes a right wing cross from Brian Levine was calmly headed home by Barker. Riki Pitter scored his fifth of the campaign to level things up on the 25th minute and the teams headed into the break level at 1-1.

Barker scored his second on the 55th minute – again a right wing cross caused all the damage.

Once again Sidmouth hit back, this time Mark Pavey who is just starting to show some real form, levelling things up.

In the 70th Sidmouth's talented centre back Matt Clenahan upended Levine in the box for a spot kick of which Barker took and smashed passed keeper Bowring.

Pavey equalised in the 75th minute after jinking his way past three defenders before curling a terrific effort past he helpless Joe Tickle in the Fishermens' goal.

Five minutes later the Vikings thought that they had won the game. Pitter hit the cross bar from fully 25 yards out, the rebound fell to Ashley Small who netted but, after a slight delay, the opposing linesman's flag was raised for offside.

Sidmouth were shocked as Small was clearly behind Pitter when the striker's initial shot struck the woodwork!

With seventeen seconds of injury time remaining Appledore were awarded a free-kick, Sam Fishwick stepped up to drive the ball into the penalty area where Baker responded the quickest and tucked the ball passed Bowring to clinch the win. **Vikings:** Bowring, Davies Clenahan, Newbery, Binlon, Pavey, Doble (C), Cooper, Small, Swingle, Pitter: Used Subs: Gosse, Cox. Unused: Wellman.

DEVON & EXETER LEAGUE

Match reports

Beer Albion 3 Clyst Valley 2 AET

BEER Albion progressed to the next round of the East Devon Senior Cup with a narrow victory against a spirited Clyst Valley side.

Jacobe Clode headed Beer in front after just two minutes. Further goals failed to materialise despite Long and Wakely going close.

The Valley seemed to benefit more from the half-time break and began to dominate the proceedings, the Furze-brake faithful feared the worse and after

sustained pressure the visitors equalised.

Time for a change and substitute Pedro Fontes was summoned from the bench and within 10 minutes he had restored Beer's lead.

With time running out the Valley left winger cut inside his full back and his thunderbolt gave Beer gloveman, Jones no chance to force the extra half-hour.

In to extra time Beer player-manager Richard Walker moved up front to partner the lively ex-Seaton Town man Seth Wakely and it was these two who combined well to create the chance for MoM Wakely to net his first goal for the Albion.

Silverton 0 Beer Albion Reserves 6

Football Express Cup

PLAYER-manager Simon Smith led by example scoring three times as Beer eased past their division six opponents. Todd Lewendon had a brace and there was a single from Tom Neale.

There is further cup action next weekend for the Albion Res when they entertain Lymington Res in the Devon Intermediate Cup with an early 2pm ko. This match is sponsored by Beer Head Caravan Park.

Kentisbeare 3rds 4 Millwey Rise Res 5

Geary Cup – Round One

By Dick Sturch

WITH the 1st X1 game called off by East Budleigh who were unable to raise a side, the Millwey Rise focus switched to the Reserves.

Millwey opened the scoring with Gary Venn firing them into the lead after just five minutes, and after several near misses it came as no surprise when Venn further increased their lead.

It was not until the 25th minute that Kentisbeare threatened the visitors goal with an effort which flew narrowly wide.

Millwey moved further ahead when Henry Mitchell forced the ball home from a goalmouth scramble and two minutes later James Rocket put them four up with a powerful strike from outside the area.

With just two minutes to go before half time Kentisbeare finally got on the score sheet.

After the break the game was a complete reversal of the first half as the home side scored three goals to draw level in the first ten minutes of the restart.

But with the score at 4-4 and being in total command they failed to add to this total and it was Venn who completed his hat-trick and provide Rise with what turned out to be the winning goal ten minutes from the end.

Jack Bennett was rock-like in the middle of Millwey's back four and Gary Venn was a constant threat.

ROUND-UP by Collin Goodwin

BICKLEIGH stole the show by knocking out Exwick Villa 1-0 in the first round of the East Devon Senior cup.

Villa were unstoppable last season in cup matches, but it ended sadly at Happy Meadow where Jason Rainey scored the vital goal for The Buzzards.

Utoptery, another first division side, shocked Premier division Seaton Town 4-0 on their own patch with Steve Morris, Mark Tucker, Matt Reed and Jason Kennard scoring, and Sidmouth Town also surprised Premier side Bow AAC 4-3 after extra time. Gavin Coles scored twice for Bow.

Topsham Town won the tie of the round 3-1 against Elmore with Alex Gibbins, Jordan Bastin and Luois Jagger-Cane scoring. Will Babb had the eagles goal.

Beer Albion won 3-2 after extra time against Clyst Valley, Jacob Clode, Pedro Fontes and Seth Wakely scoring.

Heavitree fell behind to Chard Town courtesy of a Jamie Barfoot strike but re-

covered to win 2-1 with a brace from Elliot Wells, and Hatherleigh Town least seasons beaten finalists also won 2-1 at Sidbury United with Rob Knight getting both goals.

Honiton Town are the proud leaders in Premier after they ended Feniton's unbeaten record in midweek and then won 2-1 at Willand Rovers. Joe Mulhall and Tom Perryman were The Hippos scorers.

Newtown won the only other Premier game 3-2 against Newton St Cyres the team whose ground they share, Dale O'Donoghue, Ben Howard and Corey O'Donoghue scored Newtowns goals.

Exmouth Amateurs won 3-2 at Westex in Division One, Jamie Phillips and Josh Dryhurst scoring, while the other game played between Wellington and Heavitree finished goalless.

Exmouth Amateurs second string lost 3-1 to Lapford in the only Division Three match played.

In Division Four Morchard Bishop won a cracking match against North Tawton 4-3, with Ryan Gibson getting a hat-trick and Nolan Pierce with the other goal.

Exwick Village won the city derby against Stoke Hill 2-1 in the only Division Six match played.

Colyton are through to the second round of the Devon Senior Cup after they won 1-0 at Countess Wear Dynamos.

The Bill Slee cup holders Langdon were routed 8-1 by Chulmleigh despite being handed ground advantage.

Lyme Regis came from behind to beat Tedburn St Mary 4-2 with goals from MoM Rikki Sargent (2), Rob Fellingham and Julien Simier – it could have been more but for a superb display from Saints' keeper Brett Carrick.

Henry's Cronies battered Thorverton 11-2 with Billy Rouse, Ben Spiers and Jackson Maloney all scoring twice, and Bampton won a real thriller against Cheriton Fitzpaine 6-4 with Rhys Parsons and Liam Ayre both netting twice.

Jack Allen and Phil Nicholson were the Dawlish marksmen in their 2-1 victory against Pinhoe, but Newtown foundered 4-3 to Fluxton having been two goals ahead. Mike Holden, Ryan Wallace and Steve Kerswell scoring for the losers.

Winchester were handed a walkover into the third round of the Football Express cup when Ilminster Town failed to raise a side.

Cup holders Sandford who won the trophy against Kentisbeare when played at Ottery in May, won their first round tie 3-2 at Ottery St Mary.

Newcomers Millwey Rise are also through to the second round as their opponents East Budleigh could not raise a team either.

Cranbrook won their first ever cup match when they overcame Ottery St Mary 4-2 in the Geary Cup. Karl Sugg 2, Lloyd Tucker and Joe Hayes were the scorers.

Matt Frost, Dean Crabbe, Olly Cramer and Dan Hole scored Utopterys goals in their 4-0 win against Bickleigh.

Iminster retain title with perfect record

HONITON with Julie Grant

HONITON bowlers enjoyed a short tour to the Midlands last week. They were away for four days although one day was spent being tourists in STRATFORD-UPON-AVON as that is where they stayed.

A marvellous time was had, apparently, as well as playing on wonderful bowling greens. The enjoyment came from being together on the tour, a holiday for many, towards the end of the outdoor season.

Because of the bad weather a number of club matches have had to be cancelled.

Congratulations to HANNAH MORFEY who played for Devon at the end of the recent national championships. Hannah played in the under 31 team in the Amy Rose competition at Leamington.

FENITON with Roger Smith

IN the final match of the over 60s triples league, the A team narrowly lost 39-43 to the Division Three champions TIVERTON WEST END A. The winning rink was M Evans, J Livings & M Chipperfield.

Congratulations to the B team, as unplayed matches have gone their way and, despite losing their two most recent matches, they are promoted from Division Six as runners-up.

The men's team lost to MIDDLESEX PRESIDENT's team by 111-141. The winning rink was M Mitchell, J Mabbutt, T Cox & D Conbeer 28-11.

The mixed team lost a very close match 57-65 against TIVERTON BOROUGH. However, they managed a convincing 96-57 win against AXMINSTER. The winning rinks were F Jones, C Maynard, G Skinner & L Ley 31-10, F Brooks, E Goodenough, B Bowden & S Kury 30-9 and L Crook, J Skinner, A Coyne & T Cox 21-19.

The FINALS WEEKEND of the internal Club competitions saw Tony Kury defeat Alan Smith in the Men's Singles by 21-8 and Ruth Clarke defeat Di Phillips by 21-10 in the Ladies Singles Final.

The Club Singles was won by Stuart Crawford who defeated Tony Kury in a closely contested final by 21-17.

The Club Pairs was won by Alan Smith & Don Coyne who emerged victorious over Mike Sellick & Liam Crawford by 26-15.

The Mixed Pairs was won by Di Phillips & Dave Sanders who overcame Glynda Blackmore & Richard North 29-10. The Mixed Triples competition was won by Bill Bowden, Judy Smith & Liam Crawford who defeated Di Bowden, Dave Sanders & Graham Phillips 20-14.

The Husband & Wife competition was won by Stuart & Tracey Crawford who defeated Richard & Glenys North 23-8.

Tracey Crawford defeated Val June 22-3 in the final of the Marjorie Ferguson competition and in the Sir John Acland Trophy Roy Lovering defeated Bill Bowden 7-4, 7-4 & 7-5.

ILMINSTER with Des Maull

ON Saturday Iminster travelled to second place BRISTOL BC in the last match of the county season in a 'winner take all' contest for the Premier league title.

On the day Iminster proved too strong winning on all five rinks and by 58 shots to 43 (Iminster 12 points Bristol nil) this ensured a 17-point winning total over their second placed opponents.

Iminster completed their fixtures without losing a match

which given the level of competition in this league is a record to be proud of,

OTTERY ST MARY with Michael Smith

THE last weekend in August saw Ottery host its own internal 'FINALS WEEKEND'. Saturday proved to be the better day weather wise, but all matches were completed, though those involved in finals on the Sunday morning were tested in the wet conditions.

In the ladies events Shirley Fewtrell won the 4 Woods beating runner-up Sharon Kenny, unfortunately in the 2 Woods Terri Ward had to withdraw due to a hamstring injury, which meant that Sharon Kenny was declared the winner without a wood being bowled!

Carol Keating & Gail Hawke overcame Molly Parker & Shirley Fewtrell to win the Ladies pairs, with Terry House & Kevin Vernon beating Peter Jones & Ray Luscombe to win the men's pairs.

The men's 4 Woods saw Steve Hall win a very close match against Terry House, and in the men's 2 Woods Tony Luff proved once again that age is no barrier in winning trophies, 71-year-old Tony beat the much younger John Ward to take the honours.

In the Open Events Shirley Fewtrell added another 4 Woods victory to her tally, overcoming Dave Brown and so becoming Club Champion in the process.

John Pethick won the Open 3 Woods with a nail biting extra end victory over Richard Chapple.

The Otter Trophy, which is open to anyone who has not won a singles trophy, was won by Ray Luscombe with Chris Hawke taking the runners-up spot.

The Nominated Mixed Pairs was won by Molly Parker & Terry House, with Sharon Kenny & Mike Smith runners-up, whilst in the Maurice Jennings Mixed Pairs Sharon Kenny & Mike Smith this time got the win over Margaret Bright & Tony Luff.

The final event of the weekend was the Mixed Triples, and though the previous weekend had seen Mike Smith reach his 70th Year, he was part of the winning team with Mick Cissell & Margaret Bright, who narrowly beat Sharon Kenny, Steve Hall and skip Norman Lawrence to lift the trophy.

To round off a great weekend's sport Terri & John Ward with the help of Terry & Ann House, supplied the members with a fine BBQ, and with Dot Luff and her team supplying lunch and snacks throughout the weekend, thanks go to them all for their hard work, and also to Eric Saunders for organising all the matches over the two days.

In a friendly fixture at home to BRADNINCH, although losing 3 rinks to 1, Ottery won the match 77-75, thanks to a 26-17 rink win by Pam Baker, Mark Allen, Shirley Fewtrell and skip Ray Luscombe.

Ottery then played host to SEATON, again losing 3 rinks to 1, but this time also losing the match 63-84, once again Ray Luscombe skipped the only winning rink 23-15 with Frank Holden, Ann Howells and Brian Braund.

Then, in a re-arranged 2 Counties League game - the last of the season, Ottery had a fine 71-34 victory winning on all four rinks, with the best rink being that of Sharon

petanque honiton

HONITON Petanque Club has had a successful first Summer at their new court at Mountbatten Park in Ottery Moor Lane.

The number of people playing petanque, or boules as it is sometimes known, has been increasing week by week and now they are offering a Wednesday afternoon playing session.

Up until now the Club has played on Sunday mornings at 10.30am and Wednesday evenings, but the shortening day length mean that the Wednesday session will move to a 2.15pm start from tomorrow (September 9th) The Sunday session will continue throughout the winter unless it is very cold or wet.

Club spokesman Chris Bignmore said: "We are really pleased with the way the Club is developing. We do not have lighting so we have to move our Wednesday session to an afternoon, this may not be ideal for some but on the plus side this will be an ideal opportunity for people who may not be in full time work to play during the week."

Every new player can come and play as a guest for four sessions, they then need to join the club which costs only £20 per year.

Kenny, Dave Brown. Tony Luff and skip John Pethick 20-8

Finally, to cap off a terrific week, Ottery ladies clinched the NBTL league title with a win at TOPSHAM 35-26 sharing the rinks, but with Sharon Kenny, Mollie Parker and skip Gail Hawke winning 26-7 securing the victory.

Otters are worthy champions

◆ **TOP SPOT:** The Ottery St Mary Cricket Club 1st XI which was crowned Devon League Division C champions last week. Line-up, standing from left; Joe Birch, Will Harrison, Rob Johns, Dan Flower, Rob Crabb. Front: Pete Gascoigne (scorer), Billy Rudolph, Ollie Reed, Lewis Townsend (capt), Sam Lynch, Billy Reed, Zac Johns, Elliott Jeffery (Bovis Homes - sponsors).

FOR the first time in their history, Ottery St Mary Cricket Club's 1st XI will next season compete in the third tier of Devon League cricket after a continuation of their fantastic run of form saw them emphatically claim the C Division (East) title writes Ian Townsend.

The final third of the campaign began with a rare defeat as the visit to Uplyme to face the strongest bowling attack in the league on a 'minefield' of a wicket, resulted in a 39-run reverse.

The Salston Field side soon returned to winning ways, however, as the short trip to Clyst Hydon yielded a four wicket victory in which Billy Rudolph starred with a five wicket haul and an undefeated 81 and fellow teenager Billy Reed posted a half century.

The Otters powerful batting line up then chased down a near 250-run target in the home clash with Kentisbeare, the prolific Rudolph registering an unbeaten century.

Alphington were then crushed by nine wickets, star pacesman Jody Clements claiming seven wickets for just nine runs!

Lewis Townsend's side claimed the title with a game to spare as they dismissed Feniton for 133 in a rain affected game.

A magnificent season concluded as Seaton were beaten in a low scoring contest in which Dan Flower (68) starred with bat and Clements's 5-11 took his tally of wickets to an impressive 39.

Skipper Townsend highlighted the role of the Club's thriving academy in the senior side's success, commenting: "Our philosophy in investing in young players is really paying off. It's testament to countless hours of work from everyone associated with our academy over many years.

"The fact that we have so many home grown players, guys that have grown up together, has contributed to the fantastic team spirit that we have - every single player has put their hand up and made key contributions at one time or another."

Racquets at the ready

AFTER Their summer break Sidmouth Badminton Club return to action tonight (September 9th) for what will undoubtedly be an historic year.

The club was formed in the early 1950s when their home venue was the old Drill Hall on Sidmouth Sea Front, they remained there until the early 1980s when they moved to their present base, Sidmouth Sports Centre.

Records show that the Club played a few friendly matches as early as 1953 before joining the Exeter & District Badminton League in 1955, the forthcoming season will be their 60th season of competitive match badminton League making them probably the second oldest Club still playing in the aforementioned League, a record that they are justifiably proud of and are looking to celebrate.

The club are very keen to attract new members and are able to offer an excellent mix of both social and competitive badminton.

Club nights run from 8pm to 10pm on Wednesday evenings from September through to April.

For information on the club either come along to one of the taster evenings/club nights, visit the club's website at www.sidmouthbadminton.co.uk or contact Linda on 07980 375780 or Graham on 01395 578023/07968 1615735.

The Eagles provided a much stiffer contest and the game was played at a hectic tempo. Seaton conceded within seconds of the start and were then 2-0 down with an unfortunate own goal, however a stunning half volley from Aaron Hale just before half time gave them hope.

The second half was again end-to-end and when Seaton conceded a penalty the game look over, but keeper Kieran Jaycock saved superbly and with the clock ticking down Hale found the roof of the net after a mazy run.

Jaycock made another superb late save before the whistle to secure the point. Max Nevell was 'man of the morning'.

First and second places for AVR duo

AXE VALLEY RUNNERS with Dave Mutter

ON a rather cloudy but dry Bank Holiday Monday, four AVR's made the trip to the beautiful Dartmoor village of LUSTLEIGH for their annual show 10k race.

With 135 runners in the field, the race was won by Arran Tocknell of Torbay AAC in 36:43.

First AVR home and 4th lady and 1st Vet 55 was Eleanor Wood in 48:49. Next home was Dave Thomas 66th in a very respectable time of 54:43.

The Kerr family were making their way down to the south Devon coast for a holiday when Angela thought it would be a great start to the holiday by doing a 10k run en route. Angela finished in 94th in 61:01 and Martin 127th in 70:38.

On Sunday morning Luke Reed took part in the PER-RANPORTH EXTREME SURF TRIATHLON with unsurprisingly a 1000m Surf swim.

Even though the swim didn't live up to its surf reputation it was still tough start to the race which Luke finished in 24:39.

On to the 35k two-lap undulating bike ride Luke found the course pretty testing but managed to average over 19mph to finish this section in 1:12:28.

Then onto a very tough 7.5k mini grizzly style run with two cliff runs and over 4k of beach running.

Luke, like everyone else, found this tough but managed 34:55 and gained six places to finish a superb 18th overall in 2:13:46.

On Saturday Angela Kerr and Carol Austin ran the TAUNTON PARK RUN.

And in her 87th park run Carol was 4th lady in 22:17 while Angela got a new PB of 25:03.

However, sorting the results by age/grade they were actually first and second!

HONITON RC with Judy Davey

KEVIN Hawker, Julie Payne and Kathy Layzell ran the BRIDGEWATER HALF last Sunday on a very hot day on a fairly flat course with a few hills in the middle.

Kevin came a brilliant 5th overall and first in age group in 1:16:30. He was particularly pleased as it is part of his marathon training and follows a heavy mileage week.

Julie also had a very impressive run finishing in 1:35:20 and first in age group, 55th overall.

Kathy had a good run but suffered from the heat during the last three miles finishing in 2:16:27 and 257th place.

The race was won by Oliver Berry of Taunton AC in a time of 1:13:48 and there were 297 finishers.

Howard Bidmead was in North Hampshire at the previous weekend and took part in the ENGLEFIELD 10K, a multi terrain run which takes place completely in the grounds of Englefield House.

Conditions were warm and humid as 262 runners took on a relatively flat course across fields and tracks which had stunning views.

Runners struggled with a long steep hill between seven and 8k before a sharp descent to the finish. Howard continued his fine form finishing 39th in 46:32.

The race was won by Scott Kennedy from Blackwater Valley Runners in 37:35.

HEADING off over the weekend of the 22-23rd August two intrepid Chard Road Runners headed off to Heaton Heath Nr Poole for the White Star Running "BAD COW" Marathon weekend..

Setting off on the Saturday morning with the sun overhead Bernie Genge and Paul Masters hit the trails of this eight lap marathon.

With the heat building as the runners covered this mix of heathland, estuary, woods and open field Paul started to fall behind whilst Bernie strode forward loving the warmer conditions.

Bernie crossed the line first for CRR's in 16th/110 (03h 57m 11sec) Masters picking up his pace again pushed hard for 28th/110 (04h 11m 59s) with the weather predicted to be changing of the next 24hrs it was no surprise to wake up to heavy rain and softer going underfoot.

Masters and Genge stepped up to the line for their 2nd Marathon of the weekend but in totally different conditions, setting off Paul was setting the pace for CRR's enjoying the cooler condition, Bernie, in his 96th marathon, was keeping good pace.

The latter laps of the race saw the temperature rise and a flagging Masters was steadily being caught by

Genge, on the 8th lap it was getting tighter and as good club mates both raced up to the line in 17th and 18th respectively in a time of 4h 07m 01s a great double taking Bernie closer to his 100 marathon which will be ran at next year's local Taunton Marathon.

Meanwhile, Nina Wagstaff managed an incredible 05h 07m 19s finishing 254/646 in virtual storm conditions in the COTSWOLD CLASSIC TRIATHLON in a tough field of Swimmers, Cyclists and Runners over a distance of 2k swim, 56 mile cycle then a 13 mile run.

Bringing the CRR's calendar up to date was Matt Baker and Wayne Loveridge who headed off to the more local race travel over to Langport to do battle at the BATTLE OF SEDGEMOOR 10K.

This is a fast flatish road race around the lanes of Langport, this being round 14 of the Somerset Series this race attracted over 300 runners with a top class field.

Loveridge was pushing to the front of the pack from the off, keeping the front runners in sight before crossing the line in 10th/320 (35m 59s).

Keeping up his excellent run of 10 k races was Baker who set off with the pack to run a great race, crossing in a great time of 57m 47s.
